MANSFIELD

Single Solution COLOR TONERS

• Yes, 6 basic Mansfield Concentrated Color Toners are all you need to produce virtually any conceivable color. For overall monotones you simply immerse prints or movie film into a water-diluted toner solution. For full color prints, just apply the desired toner directly to prints. Colors can be mixed before applying or blended on the print. Without previous experience you'll produce beautiful color prints—at remarkably low cost per print. . . . The six toners are Blue, Brown, Green, Magenta, Red, Yellow. Price per 3-oz. bottle, 55c each. Color Print Toner Kit of four colors, $1.95.
